

Authorized manufacturer of outdoor communication battery cabinets in New Zealand

What is a lithium-ion battery cabinet?

Our Lithium-ion Battery Cabinets are designed to minimise this risk through controlled, ventilated and secure containment. Built to meet the demands of busy industrial and commercial environments, they provide peace of mind for any business working with rechargeable battery tech.

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

Why should you choose a lithium-ion battery cabinet?

Whether from impact,overcharging,or internal fault,even small battery packs can pose a significant hazard -- especially when stored in bulk. Our Lithium-ion Battery Cabinets are designed to minimise this risk through controlled,ventilated and secure containment.
