

British portable power bank manufacturer

What is a portable powerbank?

Portable powerbanks to charge your devices or provide back up power when you're on the move and away from home. Providing a range of power sockets and charging products with options of UK 13A, European Schuko, International power outlets and Twin USB A+C Fast Charging.

What makes a good power bank?

Look for power banks with the right ports, such as Lightning or USB-C, to ensure seamless charging for all your devices. Having multiple ports is a bonus, allowing you to charge multiple gadgets simultaneously. Charging Speed: Speedy charging is a game-changer, especially when you're dealing with larger devices like laptops or tablets.

What does a branded powerbank do?

A branded powerbank will give them a gentle reminder of who you are, keeping you at the forefront of their mind. It will not only be appreciated and used regularly.

Should I buy a small power bank or a large power bank?

Small power banks can be great for an occasional top up of power on the go - they're light enough that you'll hardly feel the weight of them in your bag. Large models give you more juice but are less portable.

What size power bank should I buy?

For everyday electronics like smartphones, earbuds, or similar devices, a power bank with a capacity of around 10,000mAh might be perfect. However, if you plan to charge larger devices such as laptops or tablets, it's best to go for a power bank with a capacity of 20,000mAh or higher.

Can I customize my branded powerbanks?

Yes, each powerbank can be custom printed or engraved with your logo, promoting YOUR business every time it's used. All phone charger models are supplied with a USB charging cable in a presentation gift box. Our friendly team of experts is on hand to assist you with further information on the best way to customize your branded powerbanks.
