

Chad outdoor power supply model

I need to replace this 2-prong "class 2 power supply" unit/transformer that came with the lights on our prelit Christmas tree. None of the LED lights on any of the strands are working.

Below, we will introduce several common outdoor power supply methods and their typical application scenarios to help you make an informed decision for your next camping trip, ...

u/teamkegis, thank you for your submission, please remember to supply as many details you can. These include, if applicable: size, origin (store and/or geographic location), age, and any ...

If you have a Feit Electric product and you are looking to purchase a replacement option with similar specifications, the best place to look is our Feit Electric website. First, go to our website ...
