

Full power 12V industrial frequency inverter

What types of power inverters are available?

Our complete line of off grid DC to AC power inverters, stand-alone and car power inverters are available in 12 volt, 24 volt and 48 volt configurations. We offer both pure sine wave and modified sine wave power inverters, and we manufacture specialty DC power inverter products including: commercial three-phase power inverters (208vac and Read More

What are AIMS power inverters?

AIMS Power inverters are a complete line of DC to AC power inverters, off grid and car power inverters are available in 12 volt, 24 volt and 48 volt power inverters.

Where can I find a pure sine power inverter?

Find pure sine power inverters, modified sine power inverters and inverter chargers with advanced features at The Inverter Store.

Are AIMS 5000 watt inverters FCC certified?

This AIMS 5000-watt inverter now boasts a dual GFCI outlet and is FCC certified. This product also includes a thermally controlled fan, meaning it delivers increased efficiency with less noise. It will continue to put out stable, pure sine power and maintain output voltage even as your battery bank voltage decreases.

Where can I buy power inverters?

Shop for Power Inverters at Tractor Supply Co. Buy online, free in-store pickup. Shop today!

Looking for reliable power inverters for industrial and commercial use? Check out Global Industrial's range of portable power inverters. Choose from Pure Sine Inverters, Pure Sine ...

Engineered to deliver true 120/240VAC split phase power with a true neutral - virtually identical to grid power. Engineered for demanding environments, this inverter delivers a massive 9,000 ...

5000 Watt Pure Sine Inverter - 12 volt 50/60 hz Industrial AIMS Power is proud to bring you this new 5000-Watt Pure Sine Power Inverter. Designed for harsh environments, it has been ...

With this 5000-watt power inverter, 12-volt industrial-grade design provides power and flexibility for business or pleasure. This inverter is ideal for running nonlinear loads (such as variable ...

Designed for 12V DC setups, it features overload protection, LED indicators for system status, and high-speed cooling fans for optimal performance. 120V AC outlets support multiple appliances, ...

Full power 12V industrial frequency inverter
