Is Huawei bringing A 40W power bank to the Philippines?

Two months after Huawei released the P30 series and its accessories, the company now brought its new 40W power bank to the Philippines. Delivering a 40W SuperCharge technology, the new power bank features two ports (USB Type-A + Type-C) for output, same USB Type-C port for input, and 12-layer comprehensive safety protection.

Does Huawei have a power bank?

Huawei's power bank offers convenience with a foldable stand for hands-free charging. It can charge itself and a phone overnight in base mode. Made with a high-quality lithium polymer battery cell, it meets national safety standards and is UL 1642 certified. It features protection against overcharging, over-discharging, and short circuits.

Does Huawei power bank support wireless charging?

The magnetic feature is where it shines with Huawei phones that support wireless charging and use an official magnetic adsorption case. This allows for a hassle-free, cable-free charging experience by simply attaching your phone to the power bank. Huawei's power bank offers convenience with a foldable stand for hands-free charging.

Does Huawei power bank re-charge laptop?

Expect similar charging speed with your phone's charger when using this power bank! Meanwhile, Huawei says the power bank can re-charge laptops. However, it should be using USB Type-C and then connected to the power bank's USB Type-C port. The cable for this function isn't included in the box. These are the input and output ports of the power bank.

Which power bank is best for Huawei P30 Pro?

Perfect partner for the Huawei P30 Pro! The Huawei 12000 40W SuperCharge Power Bank is specifically made for the Huawei P30 Pro. It's small enough to carry comfortably and packs enough power for most trips. It's also versatile since it can charge non-Huawei smartphones at different fast charging speeds.
