

Lesotho export outdoor power supply brand

Does Lesotho export food?

Lesotho produces a variety of agricultural products, though its food export sector is smaller compared to other major exports. Nonetheless, food products such as maize, beans, and wine have contributed to the country's export economy, with growing exports of agricultural goods in recent years.

Why is Lesotho a major source of employment?

This sector has been a major source of employment in Lesotho and a key contributor to its export revenue. Trade Value: Textiles and garments contribute around \$300 million annually to Lesotho's export revenue. The United States, the European Union, and South Africa are the primary markets for Lesotho's textile exports.

How much money does Lesotho export a year?

Trade Value: Agricultural and food exports contribute around \$50 million annually to Lesotho's export revenue. The primary markets for Lesotho's food exports include South Africa and regional countries in Southern Africa. Maize: Maize, a staple crop, is an important food export, especially to neighboring countries in Southern Africa.

Does Lesotho export construction materials?

Lesotho's main export market for construction materials is neighboring South Africa. Cement: Lesotho exports cement, primarily to South Africa, where there is a high demand for construction materials. Building Materials: The country also exports other building materials, including gravel and sand, used in regional construction projects.

Does Lesotho export water to South Africa?

Lesotho is known for its abundant water resources, which are exported to neighboring South Africa. The country's water exports are part of a long-standing agreement where Lesotho supplies water to South Africa through a series of dams and pipelines. Trade Value: Water exports contribute around \$100 million annually to Lesotho's export earnings.

Where does Lesotho export textiles?

The United States, the European Union, and South Africa are the primary markets for Lesotho's textile exports. Apparel: Lesotho exports a wide range of apparel, including sportswear, casual clothing, and work uniforms, primarily to the United States under the African Growth and Opportunity Act (AGOA).
