

Nanya Outdoor Power Supply Factory

What makes Nanya a smart factory?

Nanya's 12-inch wafer fab is equipped with complete infrastructure for smart factory, including automated production lines, IIoT, and big data analytics. We further enhance yield, quality and output with AI applications, including predictive maintenance, production planning optimisation, quality inspection, yield analysis.

Why should you support Nanya?

By supporting these activities, we aim to encourage experimentation and unorthodox thinking. Nanya's 12-inch wafer fab is equipped with complete infrastructure for smart factory, including automated production lines, IIoT, and big data analytics.

When will Nanya become independent?

Nanya started independent from 2017 with our 1st generation (1A) of 10nm-class technology. 1A technology could increase output per wafer by 30% and has entered small volume production in 2022. The development of the 2nd generation (1B) technology began in 2019, which will enter mass production in 2024 to increase output by another 30%.

What is uninterruptible power system (UPS)? Uninterruptible Power System is a device that can provide continuous power supply and is widely used in various places that require stable ...

Powerfar energy storage power supply is an outdoor large-capacity and high-power portable mobile power supply. It plays a role in wild camping, outdoor live broadcast, sea fishing, home ...

To fulfill technological development and market needs, Nanya Technology focuses on three main R& D sectors: manufacturing process shrinkage, product specification enhancement, and 3D ...

Introducing our 150W outdoor energy storage power supply, a reliable and portable mobile power source for your camping and outdoor adventures! Equipped with high capacity batteries, this ...

Scientist | R& D Project Manager | Grid Operations | Siemens Technology & #183; An experienced Power System Consultant, currently working as an R& D project manager in the field of ...

nanya outdoor energy storage power supply factory operation 6 & #183; The Nanning energy storage station is the first phase of a 100-MWh project, and when the entire project is fully completed, it ...

Imagine hiking through remote trails or camping under starry skies--Nanya outdoor energy storage power supply ensures you never run out of power. These portable systems are ...

Nanya Outdoor Power Supply Factory

China Customized Outdoor Energy Power Supply Manufacturers ... Popular Uses/Applications. Powers outdoor surveillance and communication equipment such as cameras, gateways, ...

Portable Energy Storage Power Supply Solutions, Products and ... Outdoor power supply is a multi-functional power supply with built-in lithium ion battery and can store electric energy, also ...

Dongguan Shengfeng Electronic Technology Co., Ltd: Welcome to wholesale indoor power supply, outdoor power supply, CCTV security power supply, miner power supply, bitcoin power ...
