

2 days ago#0183; Suzhou Zhuozhijia Precision Components Co., Ltd. recently obtained a patent titled "A Cold Extrusion Molding Die for New Energy Vehicle Battery End Caps," with the patent ...

2 days ago#0183; Innovative Technology: Ningbo Zhenyu Automotive Parts Co., Ltd. recently obtained a patent for a component titled "Battery Top Cover Assembly with Welded Pole and Riveted ...

JinkoSolar has been granted a patent for an energy storage battery cabinet with a unique design. The cabinet includes a main body, side doors, and inner side plates for easy ...

But when it comes to energy storage materials, these legal documents are like treasure maps showing where the tech world is pouring its billions. From Tesla's battery wizards to startups ...

3 days ago#0183; Patent Details and Technological Breakthroughs This patent involves the battery fixing device and fixing method for new energy battery swapping vehicles, aimed at improving ...

Energy storage cabinets are used for the installation and placement of battery packs, which have relatively high requirements for waterproof and dustproof performances. During the use of the ...

The present application discloses an energy storage cabinet, including a battery management module and a battery assembly. The battery management module is located on the side wall ...

An energy storage device and a battery cabinet are provided according to the present disclosure. The energy storage device includes a plurality of battery clusters and a high-voltage switch box.

Recently, the integrated outdoor battery energy storage cabinet EnerArk2.0 independently developed by Vilion successfully obtained the design patent certificate issued by the European ...

An energy storage cabinet has a battery rack and a system to convert power. It includes a switch that connects the battery to the power conversion system. When the cabinet is turned on, it ...

The evolution of the new energy vehicle power battery patent cooperation network has significant stage characteristics. The new energy vehicle power battery patent cooperation ...

New Energy Battery Cabinet Patent
