

Northern Cyprus Small Communication Base Station EMS Construction

Will the UK build a new communications facility in Cyprus?

NICOSIA, Cyprus (AP) -- The U.K. will build a new communications facility on one of two bases it maintains on the eastern Mediterranean island nation of Cyprus, a British Defense Ministry spokesman said Friday.

Where are British troops stationed in Cyprus?

Cyprus is home to the British Sovereign Base Areas of Episkopi and Dhekelia. The British Army garrisons these bases with soldiers who stand ready to support the UK's response to crisis in the region.

Why is the European Union subsidising Northern Cyprus?

The European Union has been subsidising a host of economic and social projects since 2011. One of the aid programme's major aims is to expand and improve the infrastructure in Northern Cyprus with a view to alleviating serious deficiencies, especially in energy, transport, water supply and telecommunications.
