

Outdoor portable waterproof power box

What are waterproof electrical boxes?

Waterproof electrical boxes are common in industries such as alternative energy, agriculture, oil & gas, food & beverage, marine, and more. They are available in plastic, aluminum, and steel varieties. We offer a variety of waterproof accessories to ensure final products maintain NEMA and IP ratings.

What is a waterproof box?

The Waterproof Boxes are built to fit the wheel wells of a truck. Each box has a different size and shape that you can fill based on your needs. These boxes with interlocking pieces will ensure that they stay firmly in place, and a sheet of diamond plate aluminum to protect the wood from water and the elements is included.

Are outdoor storage boxes waterproof?

Nobody wants a storage box full of essential gardening tools, cushions, toys and so on. And whilst the vast majority of outdoor storage boxes sold by retailers are water-resistant, waterproofing is hard to guarantee.
