

Selling new outdoor power supply

Do you buy or sell power equipment?

Sell us your used or surplus power equipment: One of the unique advantages of doing business with Global Power Supply is that we both buy and sell new and used power equipment. We buy your existing power equipment either through a cash offer, or applied as a trade-in credit for the purchase of new or upgraded equipment.

Where can I Sell overstock electrical equipment?

Overstock, surplus electrical equipment. Looking for a new distributor of overstock transformers, circuit breakers, panelboards, and more? Need to sell your unused overstock? Look no further than Bay Power.

How do I sell power supplies?

Start by listing the power supplies that you want to sell. Make sure to add the model, condition, and quantity of power supplies. Once we have reviewed all the shared specifics, we will share a quote with you. The quote will be solely based on all the provided information. Accept the Quote & Ship Your Device!

Can I Sell my surplus electrical equipment to Resa power?

By selling your surplus electrical equipment to RESA Power, you're freeing up space and capitalizing on an opportunity to turn idle assets into cash. Contact our Buyers at SellToUs@resapower.com or 888-304-7349 to learn more about how RESA Power can help you stop sitting on cash. *Call or email our purchasing department before sending any items.
