

# Swiss Customized Battery Cabinet Manufacturer

Who makes Wyon batteries?

Wyon was founded in 1999 by Paul Wyser, his wife Marie-Theres, and their son, Philipp. The custom-shaped battery manufacturer is based in the beautiful Appenzell region of Switzerland. The plastic technology that has established Wyon's reputation worldwide was first developed in the family's garage.

Who makes lithium batteries?

LiTHiUM System works closely with partners in the immediate vicinity for the quantitative and qualitative production of prototypes. The lithium batteries from LiTHiUM System GmbH have already received several international awards, such as the 360 degree MOVE Award.

What are external battery racks & cabinet design encasing solutions?

Our External Battery Racks and Cabinet design encasing solutions are a premium brand that offer industry-standard features in custom design measurements at competitive pricing. They can accommodate various combinations of Batteries, up to maximum number of strings for complete battery ranges.

We design and manufacture each battery enclosure to meet the precise needs and requirements of YOUR project. Every Battery Enclosure is manufactured to spec, meeting size and weight ...

With our large Swiss warehouse, we can quickly and easily deliver the desired Li-Ion cells to all of Europe. Our staff has years of experience with lithium ion batteries and can provide optimal ...

Our battery storage cabinets are constructed with a modular design, providing optimal flexibility for businesses across various sectors. Our power storage cabinets also adhere to safety and ...

The Swiss energy storage lithium battery industry isn't just selling products--it's crafting a blueprint for sustainable tech. From chocolate factories to robot-staffed labs, they're proving ...

We are a supplier of high-quality Lithium Ion Battery Storage Cabinet, featuring a powder-coated steel chamber with self-closing, oil-damped doors for safe storage and controlled battery ...

The cabinets are designed with both soft link and hard link configurations, supporting simultaneous charging of batteries with multiple voltages in a scientifically efficient manner, ...

PRODUCTS Batteries Forklift, Stationary, UPS Battery Handling Equipment Battery Chargers Battery Racks Battery Cabinets / Enclosures Battery Test Equipment Inverters Charging ...

You can choose from our standard battery cabinets that are compatible with various battery monitoring
