Will Hunt Energy & Argent LNG develop a masterplan for Syria?

DAMASCUS, July 18 (Reuters) - U.S.-based firms Baker Hughes (BKR.O), Hunt Energy and Argent LNG will develop a masterplan for Syria's oil, gas and power sector, Argent LNG CEO Jonathan Bass said on Friday, in a partnership aimed at rebuilding energy infrastructure shattered by 14 years of civil war.

What is Syria's Energy Plan?

The plan will look at Syria's projected energy demand and determine how much of it can come from renewable sources.

Does Syria have a good energy supply?

The lack of reliable energy supplies is a major concern for Syrian citizens and its new government. Syria's oil and gas sector is in an even worse state. Before 2011 the country was an oil exporter producing 400 000 barrels of oil per day. Today, it scarcely produces 20 000 and relies on imports.

Should Syria become an energy hub?

In the longer term, it should offer Syria a role in an interconnected Eastern Mediterranean energy hub with independent access to the EU market for gas and electricity. For more than a decade, Syrians have been coping with severe energy shortages. Years of war and division have crippled over 50% of the country's electricity grid.

Is Syria's energy system in ruins?

Syria's energy system is in ruins. To rebuild energy security the country's new government faces two major challenges. The first, vital for Syria's swift recovery and political stability, is bringing reliable flows of electricity and fuel to its people.

Why does Syria have a power shortage?

For more than a decade, Syrians have been coping with severe energy shortages. Years of war and division have crippled over 50% of the country's electricity grid. The war has seen a drop in electricity generation capacity from 8 500 Megawatts to just 3 500, primarily due to the destruction of key power plants including Mahardah, Aleppo and Zayzoun.

Imagine if Syrian engineers could leverage China's battery supply chain while adapting to local dust storms - that's exactly what Huijue Group's new Damascus R&D center aims to achieve.

DAMASCUS, July 18 (Reuters) - U.S.-based firms Baker Hughes (BKR.O), Hunt Energy and Argent LNG will develop a masterplan for Syria's oil, gas and power sector, Argent LNG CEO ...
